

# ALL HANDS IN INFO

VOLUME 1 ISSUE 3

It is with great pride and honor to introduce All Hands In Ambassador, Suwana Register.

Suwanna reached out to All Hands In when she was unexpectedly laid off from her position as a Security Supervisor. After eight months of not landing a role, Ms. Register decided to reach out to All Hands In. After the initial in-take, it was very clear that Suwana was determined and had a great will to succeed. So, what was missing? A great resume and confidence. It didn't take long for Suwana to gain both and within two days of working with Suwana she was offered a Supervisor Security position closer to home and paying 2x's more than her previous employment.

Suwanna is the epitome of All Hands In core values and beliefs. Since working with Ms. Register, she has been the face of All Hands In. She is literally a walking build-board. Her dedication to helping others is unmatched. We are very please to work with Suwana and All Hands In is better off with having her on our team!
